## **RedPeak receives national “Top Rated” apartment properties award**

*The award was given by ApartmentRatings.com,  
a comprehensive national database of apartment ratings and reviews*

Denver, Colo., April 7, 2015 - RedPeak, one of the most respected apartment owners, managers, acquirers and developers in Denver, is proud to announce that the company has received a national “Top Rated” apartment properties award from ApartmentRatings.com, a comprehensive national database of apartment ratings and reviews ([www.apartmentratings.com](http://www.apartmentratings.com)). RedPeak earned the recognition for its outstanding resident satisfaction ratings. Only six percent of the properties listed with the database qualified for the award.

“Our properties continue to receive local and national recognition for RedPeak’s high level of service to residents, and making sure that we’re delivering the experience they expect and demand when they choose one of our apartment communities to live in,” said Mark Windhager of RedPeak. “We’ve set high standards, and it’s good to know that people recognize how important it is to us to continue to exceed their expectations.”
